

THE QUILL 1967

Marguerite Faber

Foreword

A school is not merely a building packed with rooms, blackboards, desks, and books. A school is many individuals. It is a busy principal, a concerned guidance counselor, hardworking secretaries, and a learned teacher. It is a skilled musician, an inquisitive student, a tense athlete, or an energetic cheerleader. A school is many young minds beginning to grow and marvel over the wonder of learning.

A school is brimming with motion, alive with action, and filled with colors. It is the joys and sorrows that are a part of life and memories both good and bad. We, the Quill Staff, sincerely hope that we have captured a small part of life at Richburg Central School in the 1966-1967 yearbook.

Dedication

We have known you for but two years, and already you have found your way into the hearts of the people of Richburg. Students and faculty alike have a great deal of respect for you and what you stand for. Therefore, in view of the enormous progress which you have brought to Richburg, we the 1966-1967 Quill Staff gratefully dedicate our yearbook to you, MR. BRUCE T. FORNESS.

After graduating from Olean High School, Mr. Forness attended Oswego State College. He then went on to St. Bonaventure University where he received his Principal Certification. During his teaching career, he taught such subjects as Industrial Arts, Mechanical Drawing, Seventh Grade Science, Welding, Woodworking, Ceramics and Driver Training in Lyon Mountain Union Free School, Naples Central School, and Portville Central School. He also served as Adult Education Director in Portville.

Mr. Forness has found time to be active in community affairs also. He has directed a Junior-Senior Church Group, served on the Executive Committee of the Seneca Council Boy Scouts, acted as chairman of the March of Dimes, held the office of both president and secretary of the Portville Kiwanis, and was a member of the Executive Committee of the Portville Mens' Club. These make up only a small part of the list of groups he has been associated with.

In 1965, Richburg welcomed Mr. Forness as the new principal. We feel that he has helped immensely to keep the school running smoothly and efficiently during these two years. We hope that he will remain at Richburg Central School for many years to come.

Principal's Message

RICHBURG CENTRAL SCHOOL
RICHBURG, NEW YORK

BRUCE T. FORNESA
SUPERVISING PRINCIPAL

To the Class of 1967:

May I, on behalf of the faculty and myself, extend to each of you my sincere congratulations on the goal you have achieved.

The school years that are now behind you hold many keys to success. The pathways of life will bring decisions for you to make in your everyday experiences. Each decision, each path you will bring to you a door which needs to be unlocked. The experiences of your past school days will hold the keys to unlock each door or act as a guide to make your choice more secure.

You will be able to gain as much from life as you are willing to give of yourselves. Life will present many challenges for you to pursue. You have but to make the effort and success can be yours. If you wait for others to make the effort for you, success will be just beyond your reach. What do you want from life?

Bruce T. Fornesa

I am so glad
 that you are
 home again
 and hope you
 will stay here
 for ever.

In Recognition Of

Your Years Of Service

Mrs. Genevieve Hill, who has taught at Bolivar for 11 years, will retire this year. Mrs. Hill is a graduate of Bolivar Central School and attended Teacher Training School at Iron Mountain. She then went on to Georgia State Teachers College. After teaching at Bolivar Central School from 1915-1922, she came to Bolivar. She has taught 3rd, 4th, 5th, and a combination of 4th and 5th grade.

Mrs. Hill has a son, a daughter, and eight grand-children. She is a member of the Eastern Star, Sorosis, and the Garden Club. Her time is spent in the home, working in her flowers and traveling.

The teachers who have worked with Mrs. Hill agree that she is a good teacher, possessing a good sense of humor, and having a great deal of energy. Her room is always attractively decorated and she has made her students happy. Mrs. Hill has been of the many places she has journeyed to, Mexico City, Havana, Florida, and California are among the places she has visited. Not only are her films interesting and educational for the children, but she also gives lectures which pertain to the area of the world they are studying.

The Bolivar Guild Staff wishes you many years of happiness in all of your new endeavors.

Thank You

Miss Palmer

Dear Miss Palmer,

We the Class of sixty-seven, would like to express our gratitude for all the many things you have done for us.

Throughout our four years of high school, you have been the devoted person behind all of our class activities. Because of the responsibility of our class, you have been Activity Treasurer, Storekeeper, and Quill Staff Advisor. There would not be a trip to Washington this year if it was not for your hard work and sacrifices and sacrificed so much for us.

After we, the Class of sixty-seven, graduate and go on ways there will remain a bond between us. You will be a permanent part of our lives because of your devotion to our class's activities, two of which you are our only class advisor.

May God bless and watch over you throughout the years to come.

Sincerely,

The Class of 1967

In Memoriam

*Ruth
Barkley*

1949-67

A very active member of the Senior Citizens Association of Washington, D.C., Ruth was a very active member of the group. Perhaps one of the things that made her the best of all was her love for the group and getting to know one another much better than we'd ever had a chance to before. Since that time one of our members, Ruth Barkley, who was a very active member of the group, passed away May 2, 1967. The group has lost a great one but we will always have fond memories of Ruth.

Ruth was a very active member of the group for 10 years and took up much of her time, especially since she was President of the Older Citizens last year. She won two County Awards for her outstanding work. In March she went to Albany and was elected to make a four day trip to Expo '67 at Montreal.

Without her group would have been a great loss. She was a great woman and we will miss her. She was President of the National Honor Society this year and was always a very active member of the Class of '67.

A FRIEND IS GONE AND SO IS PART OF EACH OF US.

GOOD GRACIOUS GRANDMA! by Keane Williamson

THE STORY

Henry and George, two rather lazy cousins, find themselves in an embarrassing situation with no money to pay a demanding landlady. The two receive money from an old friend who is sending his daughters and wishes them to be entertained. In order to keep the girls with them Henry and George need a chaperon, but the house-boy, P-Sam solves the problem when he finds a grey wig and black dress near the apartment house.

The girls arrive with their maid, Delicia, who makes a hit with P-Sam. Helen and Cecile become fond of "Grandma". Cecile helps make "Grandma's" life easier by continually kissing her. Meanwhile, Helen and Henry are becoming very close friends.

Police investigators and the landlady, Mrs. Lennox, make it necessary for "Grandma" to disappear entirely in order that Mrs. Lennox can have her clothes back. The girls and Delicia demand to know whether there has been a real chaperon or not.

The story ends with the prospect of three sets of wedding bells ringing or three sets of necks being wrung!

Although the Varsity didn't have a victorious season, they played some really great games. In their defeats they never lost by more than five points. All the 67-68 games were either won or lost by such a small margin that it made all the students, players included, support their team with vigor.

High scorers this season were Van Rickicki with 32 points, Jim Dick with 192, and John Bullock with 201. Van was chosen for the All-Star team of 67-68. Next year's team should be the championship team with players like these boys!

On behalf of the student body we would like to thank the Varsity players for the season they played.

The Junior Varsity squad held a nine to nine record at the close of this year's basketball season. Tom Moyer, captain of the team, was high scorer with 327 points and an 18 point average. Martin Barkley was second leading scorer with a total of 135 points, and Steve Cook was next with 130 points.

After this year's successful and exciting season the Junior Varsity Bears will add to the Varsity's potential for future years.

Terry Burdick

Terry Burdick was born in May 1909 and attended Richmond Central throughout his Freshman year.

Terry's favorite hobbies included, woodworking, the construction of model cars (he built 50 of them), and playing with his dog, Polaris. He was a good student and enjoyed sports of all kinds.

Never will the faculty or students forget Terry's friendly, but sly nature and spark of mischief.

Newspapers make a **BIG DIFFERENCE** in people's lives -- every day

Strife erupts in some far-off trouble spot on the other side of the world. But that fact is not enough. Where? Who is fighting whom? What is the conflict about? How will it affect world tension and political maneuvering? You want — and you deserve — to know more than one flash fact. Providing the answers is a responsibility assumed by your newspaper.

Death — caused by nature's ravages or by man's hand — strikes in some part of the world. But that fact's not enough. Where? Who did what to whom? Why? How are we involved? Your newspaper provides the answers, bringing you thorough coverage, careful analysis, maps and pictures.

A siren sounds in the middle of the night. A close friend's oldest daughter is married. Your favorite team wins a football game. Death claims a man whom you have respected all of your life. Flash facts are not enough. You want — and you deserve — to know far, far more. Your newspaper assumes the important responsibility of meeting that need. This is a job done by men and women who have the experience and the know-how needed to report and edit the news, to produce and distribute an informative, entertaining and all-new product each day — your newspaper.

Because your newspaper brings you and other readers "far, far more," it makes a **BIG DIFFERENCE** in people's lives — in your life — every day.
